3

Please pray for Dom and fellow staff reviewing this past year and praying for rejuvenation for the fall, and some rest for Dom in May, then preparation for a mini student gathering, "Wonder," June 4-6, engaging with God in scripture, community and outside. Pray for encounters with the living God.

4

Petition God for good health, joy, and good connections with colleagues and neighbours as they settle in, plus help in dealing with the logistics of overseas living (visas, housing, etc.). Remember the Muslim world during Ramadan and stir a desire among Christians to build bridges of friendship with their Muslim neighbours."

8

Jim Mason, SIM. Pray for donors to sponsor the operations of CEG's fleet of three Cinevans, two of which are 7 and 10 years old. It costs \$200.00 for a Cinevan to visit a town or village without access to a Christian bookshop. They share the Gospel and place Bibles and Christian literature in the hands of people living in these remote communities.

SUNDAY

without overcharging."

12

C & K. C&K request prayer for wisdom regarding new BAM investments: In Vietnam, the business employs large numbers of deaf and blind who otherwise would be on the margins of society. In Malaysia, the company is intentionally linked with several partnering churches to encourage and train Christians to share their faith at the local community level with the majority population. In Kyrgyzstan we reach many farmers spread across this largely rural country with faith sharing and economic uplift potential.
